EXO

recessed LED luminaire for false ceilings

EXO is an accent luminaire for recessed installation on 65-78 mm hole, with COB light source, focal point with medium beam and luminaire in die-cast aluminium. The standard configuration integrates a fixing system with torsion spring for installation in false ceilings. The 150 mm, 2x0.75mm² power cord, with double insulation, features a rapid connection terminal that allows the parallel wiring of several luminaires. Available in the white painted RAL 9016 finish. Power supply not included, to be ordered separately
