Long Handles

Our collection of long handles accommodates the need of handles for tall cabinets and closet doors. Emphasizing the vertical lines of tall fronts, our long handles are a graphic design statement with clear functionality. These handles are not meant to be hidden though they can be discrete.

We offer Big, Bond, Edge Straight, Elan, Elan Wood, Mango, Manor Long, Regular 2, Track, Track Wood & Villa Long in lengths from 512 up to 1200.

Big & Regular 2

Cut-to-size handles

Both Big and Regular 2 can be cut to the size to suit your needs. The tubes are easily cut, and the feet are designed to cover any cutting marks. Extra-long handles can be made by connecting tube lengths using the connector which is supportive and hides the tube joints.

These handles are the perfect finishing touch to a bold interior design.
